

Student Leadership

designed to take students deeper into God's Word and encouragement in ministry. SL is designed to be a pathway for righteous living and meeting the needs of the people we live every day with. SL is open to any student. We have monthly gatherings with creative worship experiences, training for ministry, encouragement, & support. Student Leaders all have high access to the Pastor of High School Ministry and input on decisions concerning HSM.

Should I try S.L.?

Student Leadership is not just for students who already consider themselves leaders. It is for those who desire to be spiritual leaders at home, in school, at church, and in life. If you want to be stretched and challenged to influence others for Christ then sign up for S.L. You will be given the encouragement and support in order to *'live a life worthy of the LORD'*.

In what ways do you think you could help our ministry? (Be specific & thorough)

I am committed to become more like Jesus Christ this year. I agree to work at developing Christ-like, being challenged spiritually, showing up at ALL meetings on time and ready to go, being encouraged in my walk, and trained for further ministry in our church, my school, and the world for the sake of Jesus' fame...not mine. You can count on me!
